

HND Healthcare Practice for England

Are you ready to take your health, safety, and care skills to the next level? Look no further than our HND Healthcare programme. Designed to equip you with the essential social care and health keeping skills, our programme is your gateway to unrivalled opportunities in the healthcare landscape.

Unleash your potential with a curriculum carefully crafted to meet the demands of today's healthcare practices world. Our esteemed faculty, armed with healthcare industry experience, will guide you through a transformative learning journey, our HND Healthcare Practice for England programme covers it all, ensuring you stay ahead of the curve.

Why this course?

Upon completing the HND Healthcare Practice for England programme, you'll be equipped with a recognised qualification that opens doors to diverse career opportunities. Whether you aspire to become a nurse, therapist or social worker, our healthcare programme prepares you for success.

This qualification makes you aware of different healthcare practice roles. The programme could lead you, the student, into a variety of Career opportunities, such as:

- Adult Nurse.
- Care Worker.
- Management of Care Homes
- Community Development Worker.
- Counsellor.
- Mental Health Practitioner.
- Occupational Therapist.
- Youth Worker.
- Social Worker.

The course is structured around developing the hands-on skills needed for specific careers in healthcare; employers will highly value you.

Entry Requirements

You must be over 18 years old and have one of the following:

- **Level 3 qualification in Health and Social Care, Access to Higher Education Certificate or A level equivalent.**
- **You must have achieved GCSE Maths and English or equivalent Numeracy and Literacy qualifications at Level 2.**
